S U M M A R Y

Dedicated final-year Computer Science Engineering student with a passion for web development and machine learning. Adept at blending technical prowess with creative problem-solving skills to deliver innovative and user-centric solutions. Proven track record of excelling in both academic and extracurricular pursuits, including representing the national football team and participating in district swimming championships. Eager to contribute my multifaceted talents to a dynamic team, while continuously striving for personal and professional growth.

S K I L L S

- Machine Learning
